

Caleb & Hillary

W E L C O M E

Dear Momma,

We are Hillary and Caleb. First and foremost, we want to express our heartfelt gratitude to you for taking the time to read and review our album. We understand that this decision isn't made lightly, and we want to acknowledge the bravery and courage it takes to do so. We sincerely appreciate your consideration.

Through our album, we hope to showcase the love shared between us as a couple and the love that surrounds us from cherished friends and family. We aspire for it to reflect the bonds of unconditional love and support that are integral to us and that we hope to provide to your child.

With love,

Caleb & Hillary

This Is Us

WHERE OUR STORY BEGAN

We first met in high school during our freshman year and have shared a long relationship of 17 years. We dated for over 9 years before getting married. It is hard to imagine our lives without each other, growing together and supporting each other through it all.

OUR HEART FOR ADOPTION

Early on in our relationship, Hillary discovered that she would be unable to conceive children. This, combined with Caleb's father being adopted as a baby, as well as Caleb's oldest brother being adopted, made it feel like we were brought together for a reason. We firmly believe that God planned to bring us together because of our family's history of adoption.

Meet Caleb

Through Hillary's eyes

Caleb is the most dependable person you will ever meet. He loves to be helpful to anyone in need. Every time I am around someone who has spent time with him, they always tell me how lucky I am to have such a sweet and compassionate husband. I wholeheartedly agree! He enjoys traveling, spending time with family, watching movies, playing video games, and spending time with friends. He also enjoys fixing up older vehicles with his brother and best friend, Matt. They are always completing some project. He will make such a good father. He is fun-loving and goofy, but he is also very level-headed and most likely the reason we don't have five more dogs. I thank the Lord every day that He put Caleb in my life when He did. I have gotten to spend the last 17 years with him and I can't wait to embark on the adventure of parenthood with him.

Meet Hillary

Through Caleb's eyes

Hillary's outgoing personality effortlessly draws others to her. In her presence, one can't help but instantly connect and enjoy spending time with her. Radiating love, care, and sweetness, she maintains a cheerful disposition that uplifts those around her. Compassion shines through in her role as a hospice nurse, supporting families through challenging times. Her passion for animals is evident as she takes pride in our puppies and never misses an opportunity to help those in need. She is extremely spontaneous and always up for a new adventure. Through this, she inspires me to be more outgoing and encourages my personal growth. As a future parent, I envision Hillary as incredibly caring, patient, and loving. I eagerly anticipate the journey ahead and look forward to joining her on the adventure of parenthood where we will create cherished memories together.

Our Fur Babies

Lilly and Ivy, our two rescued fur babies, have been cherished members of our family since they were puppies. They are now both 13 years old. While Ivy enjoys spending as much time with us as possible, Lilly tends to prefer her own company, though she does enjoy joining us when the mood strikes. Both are fond of lazy afternoons, filled with napping and snuggles. They have been steadfast companions through our college years and accompanied us on our honeymoon. They have played significant roles in our lives ever since. They also both adore attention from anyone nearby and have proven to be wonderful with our nieces and nephews when they come to visit and spend time with us.

Friends We Call Family

We have very strong friendships that we consider to be like family. Hillary and her group of girlfriends enjoy painting and art classes that they often schedule 1-2 times a month. Caleb and his friends enjoy working on vehicles, doing projects around Caleb's family's property, and playing video games over phone calls. Many of his friends live across the country and visit us 2-3 times a year. We also enjoy game or movie nights as a whole group. They are all very excited to be new honorary "aunties" and "uncles".

Our Families

We have been extremely lucky to have large families that are continuing to grow, most of whom live in the same city as us. Caleb has two older brothers and a younger sister. They are all married with young children who keep everyone busy. Both of our parents live locally, as well as Hillary's two younger sisters, one with our newly adopted nephew. Most weeks are filled with plans for game nights, dinners, or movie nights. We have also shared family vacations to the beach regularly with Hillary's family and trips to the beach, zoos, or aquariums with Caleb's family.

Traveling & Celebrations

We both enjoy traveling. Over the years, Caleb has been fortunate enough to have visited 48 of the 50 states on trips with his family. While Hillary has not been to as many places, she has goals of catching up and keeping track of where she has been with commemorative plates of states and locations she has visited, such as Yellowstone National Park. We commonly host Thanksgiving and Christmas, bringing together as much family as we can to our home to spend time together. For those that we don't see as often, it's an opportunity to learn about each other's lives and make memories.

As a family...

we truly believe that through God, all things are possible,
and prayer is a very powerful tool.

“JESUS LOOKED AT THEM AND SAID, “WITH
MAN IT IS IMPOSSIBLE, BUT NOT WITH GOD.
FOR ALL THINGS ARE POSSIBLE WITH GOD.””

MARK 10:27

BLESS THIS *home*
AND ALL WHO ENTER

We are blessed to live in our dream home with lots of sunlight, surrounded by friendly neighbors with families of their own. We enjoy decorating for the holidays and improving our home to reflect our personalities. Our home serves as a sanctuary where we can unwind after a long day's work and create cherished memories with our loved ones. Whether it's cozying up by the fireplace on a chilly evening, or hosting gatherings with friends and family, every corner of our home is meaningful to us.

In addition to our love for our home, we appreciate the sense of community that surrounds us. Our neighbors have become like extended family, always ready to lend a helping hand or share a laugh. Together, we create a vibrant and welcoming environment that makes coming home each day a joyous occasion.

The Nursery

Our nursery is a bit of a work in progress right now. We plan to have a sky theme and later change it to suit the personality of your child!

“I AM CERTAIN THAT I WILL SEE THE GOODNESS OF THE LORD
IN THE LAND OF THE LIVING. WAIT ON THE LORD; BE STRONG,
AND LET YOUR HEART BE COURAGEOUS. WAIT ON THE LORD.”

PSALM 27:13-14

Our sentiments

Thank you so much for taking the time to learn about our family and background. We hope to provide a safe, loving, fun, happy, and fulfilling home for your baby. We have been praying for you and your family, and we can't thank you enough for considering us. We pray that God gives you strength and solace.
